What is Time?

The shadow on the dial, the striking of the clock, the running of the sand,

Day and night, summer and winter, months, years, centuries—

These are but arbitrary and outward signs, the measure of Time,

Not Time itself. Time is the Life of the soul.

*Longfellow*

Time is also the life of Palm Beach Junior College. We are the oldest (established in 1933) of twenty-nine junior colleges in Florida. It has grown from a part-time school to a full-time college with a year-round operation. This year more students are enrolled than ever before. To supply this expanded student body, more faculty and administrative personnel have been employed; to satisfy the educational needs, new courses were introduced; and to encompass all of these needs more buildings have been erected.

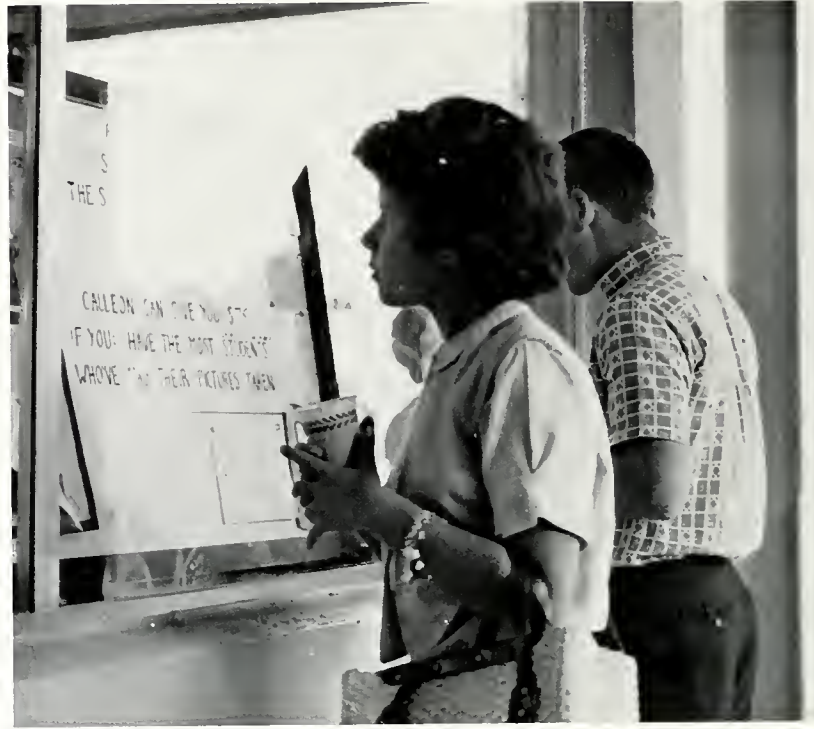

Besides physical growth, P.B.J.C. has gained from each student in the time gone by. Each individual has left a lasting impression on someone and has helped in the over-all atmosphere of each year. This year, as in every year, the P.B.J.C. student has a time and season for every activity.

# Time to voice an opinion . . .

Voting is a means of expressing opinions.

Some people actually read posters.

And people wonder why we never have any money.

... and my worthy opponent ...

What does 'time' hold for us as we face the future?

... opportunity to listen.

There was always room for one more at a 'Hoot.'

You wouldn't josh me now, would you?

Did he break his wing?

Late as usual.

## Time to join in . . .

Hey, wait for me!

Some study is required of all.

**. . . the privilege . . .**

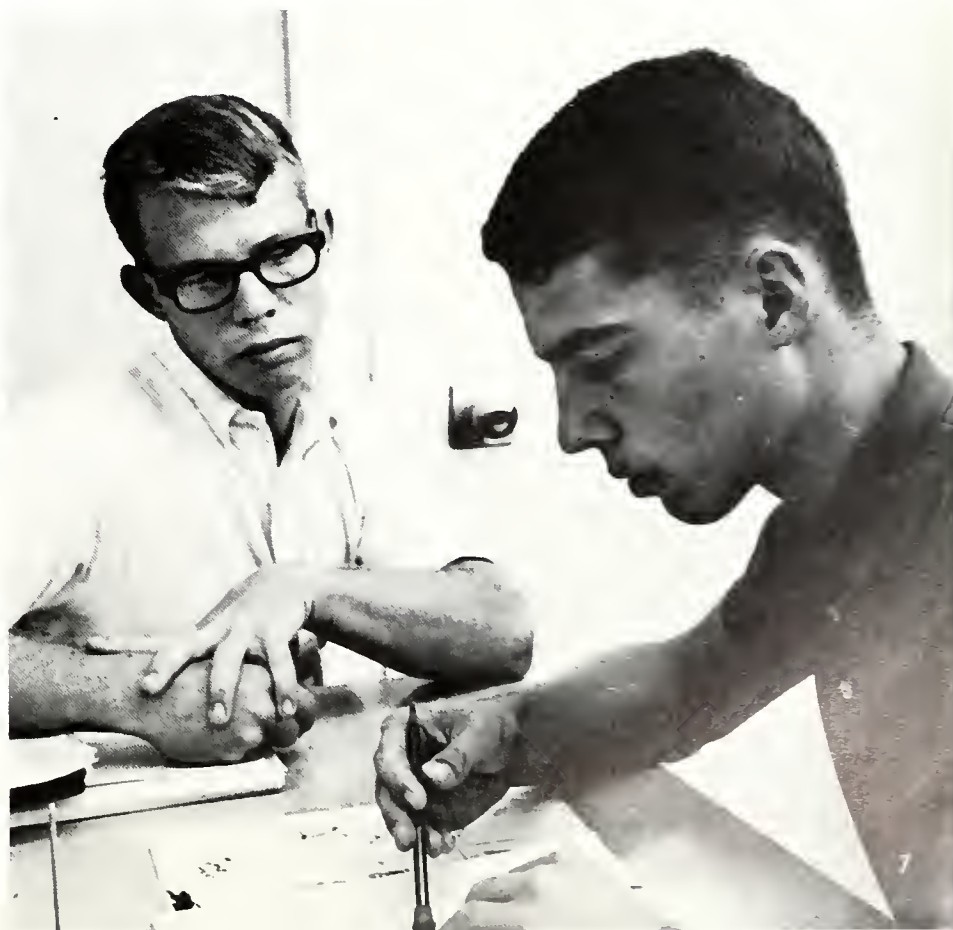

Now—which team should win today?

Concentration—it takes a little of that at P.B.J.C.

**. . . to concentrate.**

Your layout could be improved this way.

## ACTIVITIES

# Calendar of Recollections . . .

All we need is an IBM machine!

Lonely but not alone.

Halfway through.

## Registration . . .

For a few hectic days preceding every semester, each student crowds the library to get a seat and a copy of all the subjects offered and the times they are given. After deciding what subjects he is going to take, he gets into line where he spends the rest of the day receiving cards for all the subjects, checking, rechecking, and signing. The end is in sight and soon he is ready to begin a new semester at Palm Beach Junior College.

The third stop.

Into the wallets.

I'm sure this section number is right??

In line again.

That number's the one you need.

Does he teach 102 or 201?

# Get-Acquainted Activities . . .

I don't think I can eat another one.

I've never seen her before.

The Splash Party and the Get-Acquainted Dance follow registration. The Splash Party was held at the Lido Pool in Palm Beach. There was music and sandwiches and singing and sandwiches. The crowd had a good time and many new acquaintances were made.

The Get-Acquainted Dance was held in the school gym. New friends and old had a chance to talk and dance. The dance seemingly fulfilled its purpose as many people met for the first time.

The two events served another purpose, by showing the new students that fun could be found on campus.

J-E-L-L-O.

They gabbed.

# Rush . . .

The crowd fades for a minute.

Dancing . . . a common interest.

Where is he?

Social clubs rush for new pledges at the first of each semester.

Students register at the beginning of the rush period. Informal rush sets the mood for formal rush. Rush ends with a reception for the women and a smoker for the men. Hush Day precedes the issuing of bids.

Eager students await the bidding, hoping to become pledges. If the pledges survive "Hell Night," they become active members of the club.

Tomorrow the fun ends.

Not everyone danced.

# 30th Anniversary Dance . . .

Ruthie Williams chats with Tony Glenn.

Queen's court, left to right: Joyce DuBois; Linda Knapp, Queen; Linda Parrish; not pictured, Mary Jane Hughes.

Linda Knapp was chosen to reign over the dance which commemorated the 30th Anniversary of Palm Beach Junior College's service to Palm Beach County. Miss Knapp, sponsored by Thi Del social club, was accompanied by a court of three in the anniversary limelight. They were Mary Jane Hughes (Dental Hygiene), Joyce DuBois (Tri Omega), and Linda Parrish (Philo).

The affair, held at the Holiday Inn, was covered by WPTV with Tony Glenn as Master of Ceremonies. Ruthie Williams, the 25th Anniversary queen, crowned the 30th Anniversary queen.

Mrs. Peed's splendid help.

The celebration . . . a success.

# Tapping and Blood Drive . . .

Spreading the light.

The day of recognition for a lot of hard work.

Phi Theta Kappa is a fraternity for those full time students who maintain a 3.0 scholastic average. Each semester students are invited to join Phi Theta Kappa by formal invitation. Those who accept the invitation are tapped into Phi Theta Kappa during a formal ceremony when they are given candles and the flame is spread from candle to candle. As the light fills the room the students realize that their efforts have been rewarded.

I wonder who'll need the pint I give?

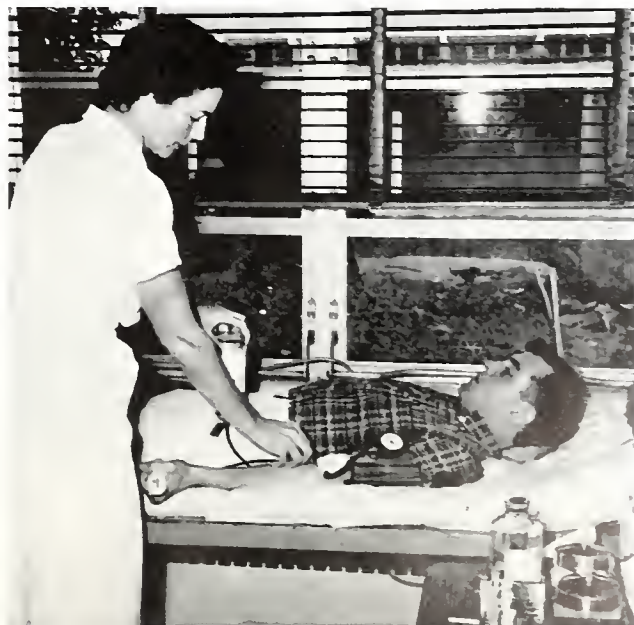

The blood drive held twice a year, is sponsored by Thi Del social club for the benefit of PBJC students, faculty and their families.

The clinic, open on February 20, took in 141 pints of blood. Donations are taken to the Palm Beach Blood Bank to be held in reserve.

That's mine?

I hope I can trust her not to take it all.

# Hootenanny . . .

Some foot-stomping bluegrass music.

. . . and the crowd gathered.

The star???

Our gymnasium was the scene for two hootenannies this year. The first "hoot" featured the Riveras and the New Coachmen. Eleven hundred students were introduced to "Jello" for the first time. Barbequed chicken and rain were the hits of the night.

The second "hoot," the Hollywood Hootenanny, was a great success. The whole cast, straight from Hollywood, California, said that PBJC was the best audience they had had on the tour. Entertainers were the Wellynbrook Singers; the Yachtsmen Quartet; the Pine Valley Boys; Gypsy Boots and his Hairy Hoots; Chloe Marsh; and Jim and Jean, the Hootenanny Sweethearts. Gypsy Boots and his antics, including a dance with Pam Dickey, was the show stopper of the evening.

Pull up a chair and sit on the floor.

# Sadie Hawkins Dance and H.S. Visitation . . .

Where's Daisy Mae?

Straight from Dogpatch.

Elaine Hopkins and Casey Wheeler were selected as Daisy Mae and L'il Abner for 1963 at the annual Sadie Hawkins Dance.

The money collected through votes for Daisy Mae and L'il Abner was given to the Dollars for Scholars fund.

Music was provided by the Impalas and Marryin' Sam performed nuptial ceremonies for the special fee of 25 cents.

Why me?

The confusion's just begun.

Birds of a feather . . .

Each year the Junior College hosts the local high school seniors for a tour and a free "coke." One by one the high schools come to get a view of the campus and our college life. They wander around—in and out of the buildings getting an idea of some of the "goin's-on" at Palm Beach Junior College. After receiving their free "cokes" in the lounge, the students return to their high schools with opened eyes.

# Danish Gymnastics and JC Showcase . . .

They'll never wear out shoes this way.

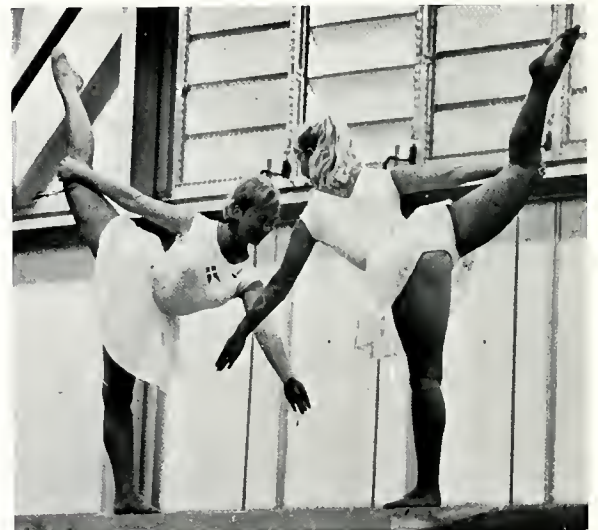

The performers of the Danish Gymnastic Team came to Palm Beach Junior College as part of a tour of the United States.

The team provided the audience with some original Danish Folk Dances, top gymnastic feats, and many unique balancing acts.

The troupe, twenty-four strong, have numerous and varied careers. The troupe promotes an interest in physical fitness as a hobby.

They found a use for hula hoops.

All this to shake hands?

Move in!

College Showcase, a television program coordinated by Palm Beach Junior College instructor Josh Crane, is a bi-weekly production covered by WPTV, Channel 5. Mr. Crane has been aided by college students and personnel in preparing the programs that have featured various activities related to the junior college.

A helping hand.

# Valentine's Dance . . .

They sat out every dance.

Please, no fish!

Ralph Marterie, famed orchestra leader, and his thirteen-piece orchestra were featured at the Valentine's Dance at Whitehall on February 14. The Student Government Association was host to over three hundred students, faculty, and guests.

A full house.

# Spring Frolics . . .

The winning booth.

The Phi Da Di-Faculty basketball game and a beauty contest highlighted the opening day of the First Annual Spring Frolics, April 17 and 18.

Miss Galleon, Kathy Leeper, was crowned on Friday during halftime which also included the introduction of Miss Sophomore, Linda Parrish, and Miss Freshman, Pat Stone. The champs, Phi Da Di, downed the "lukewarm" Rinky-Dinks, the faculty team.

The Old-Fashion County Fair opened Saturday with a midway of approximately 25 booths of all varieties. The Beachcomber All-Stars beat Phi Da Di in the championship basketball game, 93-88, that evening.

The weekend was climaxed with the crowning of Miss Wishing Well, Sylvia Smith, at the Sophomore Class Dance.

Kirk Middleton, freshman class president and coordinator of the Frolics, pronounced the weekend a success with much hope for the success of coming Frolics.

Waiting for a look at the future.

Some jail!

# Open House . . .

"Oops, they ripped."

Circle K on tap.

Palm Beach Junior College's Eighth Annual Open House was held on Sunday, May 3, with a crowd estimated at 2,500, attending. Before the buildings and exhibitions were opened, there was a barbecue prepared and served by the Southside Kiwanis at the college lounge. Visitors, students, and faculty alike toured the campus and attended concerts given by the Concert Band, the College Singers, and demonstrations by physical education students.

Circle K, K-Ette, and Phi Theta Kappa members were on hand to give information and maps to visitors to the campus.

Xerox strikes again.

# ORGANIZATIONS

# Art Club

L to R: Susan Swan, president; Betsy Epling, vice-president; Eugenia Zaleski, treasurer; and Mrs. Jensen, adviser.

During the first semester many fine artists visited the Art Club. Charles Hagn, retired commercial art director; Bruce Dorfman, painter and printmaker; Robert Neal, landscape architect; and Emil Jensen, enamelist, were among the distinguished lecturers.

The Art Club is open to any student interested in art. It is a means for an individual to further his interest through group activities. The lectures help to introduce various ideas about the numerous careers in the field of art.

## Chess Club

The purpose of the Chess Club is to promote the game on the PBJC campus. The club is open to any student interested in learning the game, improving their ability, and enjoys playing the game of chess.

A ladder tournament was started at the beginning of the school year and continued to run throughout the year. In addition, a round-robin chess tournament was played in the fall semester. Future plans include chess matches with other chess clubs and a simultaneous chess-playing exhibition by a visiting chess master.

Palm Beach Junior College Performing Band

Circle K members.

The Circle K sidewalk.

Circle K, a service club for men, provides for individual and joint participation in service to campus and community betterment.

PBJC Circle K, sponsored in its five-year activity by Southside Kiwanis, maintained leadership in the Florida District, as well as the campus. Members are men of good character and scholastic standing who are active participants of the student body. New members are voted in by club members and the Board of Directors.

President Ron conducts the weekly Circle K business meeting.

## Circle K

This year the Circle K participated in numerous projects. Members acted as guides for the high school visitation, ran the voting booths during elections, worked with the Palm Beach County Children's Home providing tutoring for nightly study halls, and constructed a sidewalk between the library and the Social Science building. As an added accomplishment Circle K established a sister club, the Palm Beach Junior College K-ettes.

Officers, l to r: Phil Sorenson, treasurer; Al Franklin, vice president; Dr. Bottosto, adviser; Ron Morrison, president; and Marc Weisman, secretary.

# College Singers

Mr. Hugh Albee presents roses to two of the lovely girls who participated in the graduation recital.

# College Forum

Frequently, in today's fast-paced society, Americans forget how to discuss. College Forum seeks to provide an opportunity for PBJC students, the leaders of tomorrow, to discuss vital issues of the day. The Forum is open to all students of Palm Beach Junior College.

The activities this year have included many day meetings and several evening discussions which extended into

the wee hours. The future plans of College Forum depend on the students of the college. Without their participation, in increasing numbers, the forum would dissolve. With intelligent discussants concerned with the problems of today, College Forum will definitely move forward as a vital aid in encouraging creative thought.

## Debate Team

A three-round affirmative sweep of the Indian River Junior College tournament and a negative team victory over the University of Florida during the Florida State University tournament were only two victories taken by the PBJC debaters this year.

The speakers compiled a 9-9 record for the year, including the two invitational tourneys.

Howard Freeman, Joan Gossett, and Verna Smith will return next year.

## Dental Hygiene

The Dental Hygiene Student Association, formed in 1963, has as its objectives: to promote friendship among its members, to promote the idea of service to the school, and to contribute to the professional growth of dental hygiene. These objectives have been carried out this year by such functions as a get-acquainted party, a bonfire, guest speakers at monthly meetings, and attending dental forum and lectures.

Membership is limited to members of the first and second-year classes of the School of Dental Hygiene.

The Hygiene Building is always humming with people.

## Hotel and Restaurant Management Department

The Eighteenth Annual Pan American Hotel and Restaurant Exposition at the Miami Beach Convention Hall exhibited a booth from the Palm Beach Junior College Hotel and Restaurant Management Department. The convention was attended by thousands of executives and owners of southern hotel, motel, and food service organizations. Students, under the coordination of Dr. John Rudd, supplied information and literature pertaining to PBJC's "new" Hotel and Restaurant Management Department.

A seminar in Hotel Management, conducted by Dr.

John H. Rudd, was held at the Palm Beach Breakers Hotel for the students of Palm Beach Junior College Hotel, Motel, Food Service Department. They observed the working part of each department and held "buzz" sessions with the staff. Schuyler Dodge, general manager, acted as host for the final gathering in the Starlight Room.

Other field trips have been to the Towers, Biltmore, Town House, Holiday Inn, Howard Johnson's, Famous, and Stouffers.

A hotel-motel student received a scholarship from the Profit Company, being presented by Mr. Fisher as Dr. Rudd looks on.

A seminar in hotel management was held at the Palm Beach Breakers Hotel.

# I and R Board

Through the past six years, the Intramural and Recreation Board has worked to create an interesting and active sports agenda. The members, selected by the physical education department faculty, comprise a group from varied

major fields. These students organize the sports for each semester, the all-school picnics, and the award banquets. At the close of each semester, the members of the I and R Board may reapply for the following term.

## Foreign Language Club

Giving the collected food to the Salvation Army at Christmas.

To promote interest in people of other countries and to learn their customs, way of life, and language are the purposes of the Foreign Language Club.

Members of this club are enrolled in Spanish, French or German.

As a Christmas project the members brought canned foods and other unperishable foodstuffs which were given to the Salvation Army for distribution to a needy family. Members of the club served as guides when students from Ecuador visited the campus. As a spring project the club participated in the Freshman Class Fair.

Officers, seated: Penny Hildebrandt, president. L to r: Jean Smiley, vice president and Judi Love, secretary.

## K-ettes

The sister club of Circle K, K-Ettes, is a service organization for women. The club was first organized in 1961.

Members are selected on scholastic ability, moral character, and interest in serving the campus and community.

K-Ettes has cooperated with Circle K in the Al-Sac Drive, Heart Drive, voting polls, and Open House guides and barbecue.

The organization's project for this year was working with children at the Habilitation Center south of the campus.

Back row: Robert Hornback, Mark Garnett, Robert Poutney, Ron Vainik, Bob McClintock, Bruce Conklin, Michael Brown, Marvin Baransey, Ray Long, Howard Freeman, and Bob Lydiard.

## Phi Rho Pi

Phi Rho Pi is a national honorary forensic society for junior colleges. The Florida Alpha Chapter of Phi Rho Pi was established at PBJC in 1953.

Membership is by invitation to those who have distinguished themselves in the fields of speech or drama. Students must have completed one semester of speech with a 'B' or better average and receive the recommendation of

their instructor.

Each year Phi Rho Pi sponsors three major plays, produced by the drama department, and hosts a county-wide high school speech tournament. These projects along with others throughout the year have earned the Florida Alpha Chapter the honor of the "most active chapter east of the Mississippi."

# Political Union

Palm Beach Junior College Political Union is open to all students interested in politics. Meetings are held monthly with various men in public office as guest speakers. The Political Union is an affiliate of the Florida Citizenship Clearing House, and through this affiliation Michael Brown, presi-

dent, spent a week in Tallahassee as an observer of Florida government in action. Members of the Political Union attend conferences sponsored by the Florida Citizenship Clearing House, both regional and statewide.

## Radio Club

The purpose of the Sunburst Amateur Radio Club is to provide an opportunity for junior college students to enter an enjoyable hobby that can benefit them throughout their lives. The club provides code practice and radio theory sessions that can lead to a general class license issued by the Federal Communications Commissions. Members are also familiarized with the operation of a complete "ham" radio station located on campus.

# Sigma Epsilon Mu

This society, instituted in 1958, was organized to promote scholarship, develop character, cultivate fellowship, and provide recognition for students majoring in the fields of science, engineering, and mathematics. To be eligible for membership, a student must maintain a 2.5 overall average with a 3.0 average in his major field. The society awards a scholarship cup at graduation to the qualified sophomore with the highest point average in his field.

## Student NEA

A professional organization, the Student NEA was organized for future teachers interested in developing a deeper interest and understanding of the principles of education. As a chapter they work to maintain a professional autonomy by being directly linked with the state and national branches of the National Education Association.

Throughout the year SNEA had many challenging and enjoyable moments. Some SNEA members will remember the guest speakers and their controversial issues; others will

remember the days with the faculty over free coffee and donuts in the faculty lounge. But more than anything else they will all remember the two days in Winter Park, Florida, for the SNEA Leadership Convention.

During the second semester SNEA faced many new challenges. There was a booth in the Old Fashion County Fair which came in April. Then, members attended the NEA Convention in Miami Beach for three fabulous days. Last, but not least, there were plans for more guest speakers.

## Vet's Club

Membership in the Vet's Club is open to any man or woman who has served at least six months of active duty in any branch of the service.

At present the Vet's Club is supporting an Italian orphan. The club plans to continue sponsoring this "Wishing Well" orphan.

This year the Vet's Club established a Miss Wishing Well Contest, which is hoped to become an annual affair. Each contestant had her picture taken several times in a swim suit. Then the girls were judged from these pictures on beauty of face and figure. Miss Sylvia Smith was announced Miss Wishing Well at the dance held at the First Annual Spring Frolics.

The Baptist Student Union was established on this campus in 1961. It was organized in hopes that it could minister to the needs of the Baptist students on campus. Any student or faculty member is welcome to attend and join.

The objectives of the Baptist Student Union are:

1. To guide in worship and devotional experience.
2. To involve them in the study of the Bible and Christian life.
3. To guide them in Christian witnessing.
4. To involve them in Christian social life and recreation.
5. To lead them to accept and practice the principles of Christian stewardship.

## Christian Science College Org.

This was the second year the Christian Science Organization was active on campus. Meetings were held every Friday. The club increased interest and membership as the year progressed. The growth of other religious clubs on campus was decisive in the success of this organization.

The organization's main interest is to form closer bonds of Christian fellowship.

## Canterbury Club

The Canterbury Club was organized in its present form at the beginning of this academic year. Their major purpose is to provide an opportunity for all members of the academic community to know Christ and each other through the faith and practice of the Episcopal Church.

The Canterbury Club sponsors a mission at Mangrove Cay, South Andros, Bahamas. Preliminary plans are now underway to build a Canterbury House near the campus.

Left to right: Evelyn Horst, president; Dick Perna; Mrs. Ruth Dooley, adviser; Bob Smith, Gail Masonic; and (not pictured) Kathy Darden, secretary.

Members of the Collegiate Fellowship.

## Collegiate Fellowship

Collegiate Fellowship is a religious club which can be described as Christian, evangelical, and fundamental in belief. Membership is open to Christians of all denominations and its meetings are open to students and teachers of all faiths.

Since its formation in the spring of 1957, the Collegiate Fellowship has greatly expanded in its activities. It now holds morning devotions before classes begin. Bible studies, led by students, were held every Monday and Wednesday during the "break." Mr. Curtis Gentry, the club's sponsor, led a study on the "Call of God."

## Congregational Youth

Left to right: Penny Yeager; Vicki Markhan; James A. Cooper, adviser; Louise Ritcey; Barbara Benton; and Edward Whipple.

Members of the Methodist Student Movement.

## MSM

The Methodist Student Movement was established to lead all members of the college community to accept the Christian faith, to live as a disciple of Jesus Christ, and to become members of Christ's Church. To accomplish these goals the members endeavor to witness in the mission, message, and life of the Church.

All Methodist students on campus are automatically members of MSM. This organization is to make available the joys of Christian fellowship.

## Newman Club

The Newman Club is the only religious campus organization which has its own "house." The Newman Center contains a chapel, recreation hall, and a religious library, available to all members. For the benefit of all members and any guest, Mass is held in the Center on Holy Days.

The Newman Club sponsored an Old Missel and prayer book drive for Florida State Prison inmates. Lectures were held Wednesday evenings by Father Dambruskas of St. Luke's, or by guests.

Left to right: Bill Lowman, Mary Ann Ruchle, Andy Gancarz, Maurine Vaillancourt, Marty Dunn, and Father Steven Dambruskas, adviser (not pictured).

## SOCIAL CLUBS

# Alpha Fidelphia

The tenth anniversary of Alpha Fidelphia was celebrated March 10, 1964. The men of this social club participated in the Freshman Spring Frolics, the Hush-Hush dance, the Coronation Ball, and sold student directories.

With ideals of school spirit, brotherhood, and democracy this organization strives to broaden the horizons of its members and to promote maturity and understanding in human relations.

# Phi Da Di

Phi Da Di was founded at Palm Beach Junior College on December 7, 1937, making it the oldest social club on campus. For twenty-seven years the men of Phi Da Di have promoted the virtues of honesty, courage, morality, loyalty, and justice among the brothers and the student body. The Skull and Crossbones flanked by Battle Axes and the colors red and black are the visual symbols of the fraternity.

This year members of Phi Da Di had active parts in various campus activities such as Sophomore Class president, vice-president of SGA, secretary and treasurer of the Inter-Social Club Council, and as members of Phi Rho Pi,

Sigma Epsilon Mu, and the I and R Board.

The members readily recall with pride and fond memories the unforgettable Rush Parties; the weekend at Sebring; an outstanding football team, the best "Hell Night" ever; the Intramural basketball championship; the Sweetheart Ball; the Christmas party at Consola's; adviser Charles ("Uncle Chuck") Sutherland; honorary brothers Watson B. Duncan, III, and Roy E. Bell; and the Sweetheart, Linda Parrish. These will long be remembered by the men who have been part of Phi Da Di.

Philo, the first and oldest women's social club at PBJC, was founded on October 18, 1938. There were twelve charter members. The charter of the first PBJC social club was drawn up and recorded in the annals of the college's history.

The club participates in various service activities each year. A Philo Club Scholarship is awarded to a deserving incoming freshman girl. Philo and their dates frequently get

together for holiday parties, as well as numerous socials with PBJC fraternities throughout the year.

Philo girls have been recognized in various ways. Upon many occasions, they have received the highest over-all scholastic rating of the JC sororities. Many members have held class and student government offices.

"Jailbirds" were served punch and cookies in the Philo Jail at the Freshman Class Fair.

# Thi Del

The purpose of Thi Del Social Club is to promote friendship and citizenship among the students of PBJC and to foster sisterhood among the members. Thi Del was organized the first semester of 1946.

In October of this year the Blood Drive netted 93 pints which is the highest ever donated for one semester. Thi Del activities include Thanksgiving and Christmas projects; a House Party; Thi Del Weekend, as well as a Blood Drive each semester.

Any girl who has satisfactorily completed her pledge period, and is a full time student with a grade average of 2.0 is eligible for membership.

Linda Knapp was chosen Queen of the 30th Anniversary Ball held at the Holiday Inn in November. 'Chipmunk' Harris was sophomore secretary; Barbara Bayless was freshman treasurer; Jo Anne Lowery was SGA secretary; and Barbara Campbell was freshman secretary. Several of the members were members of Phi Theta Kappa and Phi Rho Pi.

# MISS GALLEON

*Kathy Leeper*

Kathy, sponsored in the Miss Galleon Contest by Thi Del social club, is a freshman at PBJC and her major field is elementary education. Miss Galleon's hobbies are piano playing and horseback riding. Her home is Delray Beach, but she hopes to continue her education in her birthplace state of Michigan.

The Miss Galleon Contest was held in conjunction with the first annual Freshman Class Spring Frolics. On the first day of the affair the contestants were introduced to the students, faculty, and the capable judges, before the Phi Da Di—Faculty basketball game. During the first half of the game the beauties were interviewed and the judges had the hard task of decision making. Then at the halftime Miss Galleon, her runners-up, Miss Freshman and Miss Sophomore, and the beauty court were announced.

Kathy was chosen, as Miss Galleon, to draw the card of the local winners of a publicity contest.

## WHO'S KIDDING WHO?

**CLAIMS** of amazing speed for non-flame cooking simply aren't borne out in actual performance.

Even using wasteful and

expensive elements, these so-called "high speed" units lag far behind the instant full heat of the natural gas flame. And "regular" non-flame units are even farther behind.

# **GAS is FASTER!**

In scores of speed tests — every test, every time, gas has been the winner hands down. Natural Gas can be a winner for you, too . . . Won't you come in and let us show you?

**SAFER, TOO...**

## *Congratulations*

Our very best wishes go with you for a bright and successful future. Rather than entrust special events to memory as you fulfill your dreams, remember always that a fine portrait is a cherished memento for a lifetime. Please grant us the privilege of serving you in the future.
